

Hey

Butthole Surfers

Oh, I don't know,
and you can't say.
And even if you could,
You wouldn't any way
Let's go to hell
Hey... hey... hey...Now I'm in love,
not with he or she
it's a burning hate
why don't they see?
Get your hands off..
Hey.. .hey... hey...I'm burning now,
like a falling dove
Cause I'm not fit
to fall in love. LOVE?
Hey... hey... hey...A broken fist
on a swinging arm
A lover's kiss
and I am gone.
