I'm the King (Radio Mix)

Glenn Morrison

My body threw a party
But you could not come
Tried to wait but I already had my fun
If you can't keep up you better bite your tongue
When too much rum make it come undone
I take no shit fromYOUSo if you want call me
I'm blazing in Bali
Diamonds on my cellphone
Sitting on my golden throne
Cause bitch I told you I'm the kingOhhh hhh hhhhBitch I told you I'm the king
Got princes hanging from my fingertips
Addicted to the poison on my lips
Gotta love the high that a bad boy gives
But I just throw 'em back when I'm done with them
I take no shit fromYOUSo if you want call me
I'm blazing in Bali
Diamonds on my cellphone
Sitting on my golden throne
Cause bitch I told you I'm the kingBitch I told you I'm the kingOhhh hhh hhhhBitch I told you I'm the kingMy body through a party
But you could not come
Tried to wait but I already had my fun
If you can't keep up you better bite your tongue
When too much rum make it come undone
