

Would I Love You, Love You, Love You?

[Patti Page](#)

Oh, for just the chance to love you
Would I love you, love you, love you
To take you in my arms
Has always been my goal
Sure as there's a moon above you
Would I love you, love you, love you
With all my heart and soul
With all my heart and soul You ask me, would I love you if you let me
Eyes that see are eyes that know
Would I love you? What a question
When I'm yearning so Oh, for just the chance to love you
Would I love you, love you, love you
To take you in my arms
Has always been my goal
Sure as there's a moon above you
Would I love you, love you, love you
With all my heart and soul
With all my heart and soul
