Live Ma Life

Krokus

We sleep all days and we works all night
When it's dark we feel alright
Thunder and lightning hit the sky
Rainbow rising we're ready to flyNo more trouble
No more chainsI live my life the way I do
We play it wild in a human zooWe say it clear and we say it loud
Got no fear rocking proud
Hell it ain't easy just living free
We're sailing high on the seven seas
No more troubles
No more painsI live my life the way I do
We play it wild in a human zooNo more troubles
No more chains
And no more painsI live my life the way I do
We play it wild in a human zoo
I live my life the way I do
We play it wild in a human zooI live my life
I live my lifeThe way I do, baby
