Kid Is Back

Juelz Santana

Hey Jah, I think that Juelz is back in town
Juelz back and he's better than ever
This is crack and it's better than ever
Kick it back 'cause whatever's whatever
Hey y'all, hey y'all the kid is back
Yeah, I'm back and I'm back, and I'm back, and I'm back in effect
I'm back and I'm back, and I'm back as a matter of fact
I'm jabbin' 'em, jabbin' 'em, jabbin' em, jabbin' 'em back
What's happened has happened and I'm what's happenin' back
I'm packin' the mack in the back of the Cadillac
I'm badder than that and half of the bastards who rap
I'm battin' at that wit' a baseball hat in the back
Hey y'all, hey y'all the kid is back
I'm fuckin' this track up and fuckin' this track up I'm doin' it
I come wit the mack if you bustin' shit back up I'm shootin' it
He front and he act up there's nothin' to back up and shoot it
Hey y'all, hey y'all the kid is back
I bubble the crack 'cause I cut it to packs and I move it
It's nothin' to that but it's somethin' to that 'cause I do it
They runnin' you back, I'm runnin' it back, I move it
Hey y'all, hey y'all the kid is back
Juelz back and he's better than ever
This is crack and it's better than ever
Kick it back 'cause whatever's whatever
Hey y'all, hey y'all the kid is back
Juelz back and he's better than ever
This is crack and it's better than ever

Kick it back 'cause whatever's whatever
Hey y'all, hey y'all the kid is back
Yo! I'm doper than doper, than doper, than doper, than doper
I'm closer to dope than actual dope is to dope
I roll it and smoke it and I know it's potent to smoke
Take coke to the boat, the boat to the ocean and float
I know what I know about hoes that I know that you don't
I know I control 'em, I poke 'em and open 'em slow
I know that I'm flowin' so why stop flowin'? Keep goin'
Hey y'all, hey y'all the kid is back
I know that I'm killin' and killin' this shit's what I do

I know them guerrillas we all used to chill in the zoo
I know how to get her, kill him and get up to you
Hey y'all, hey y'all the kid is back
I know that I'm illa than illest and illa than you
Hold up my nigga there's nothin' you niggaz could do
My 4 fifth is bigger, I spit it, it enters in you
Hey y'all, hey y'all the kid is back
Juelz back and he's better than ever
This is crack and it's better than ever
Kick it back 'cause whatever's whatever
Hey y'all, hey y'all the kid is back
Juelz back and he's better than ever
This is crack and it's better than ever
Kick it back 'cause whatever's whatever
Hey y'all, hey y'all the kid is back
