

# God Given

## Nine Inch Nails

Hey man, please don't make a sound  
Take a look around, can't you see what's right in front of you?  
Have a little taste, no more time to waste  
You don't want to get left behind 'cause it's all coming down right now  
How hard is it to see, put your faith in me  
I sure wouldn't want to be praying to the wrong piece of wood  
You should get where you belong, everything you know is wrong  
Come on, sing along everybody now  
God given and He gives us sight and we see the light  
And it burns so bright, now we know we're right  
When His kingdom come and Thy will be done  
We have just begun, we're the chosen ones  
I would never tell you anything  
That wasn't absolutely true  
That hadn't come right from his mouth  
And he wants me to tell you  
Wait, step into the light, how can this be right?  
I'm afraid we're going to ask you to leave  
Guess you cannot win with the color of your skin  
You won't be getting in to the promised land  
This is just another case, you people still don't know your place  
Step aside, out the way, wipe that look off your face  
'Cause we are the divine, separated from the swine  
Come on, sing along everybody now  
God given and He gives us sight and we see the light  
And it burns so bright, now we know we're right  
When His kingdom come and Thy will be done  
We have just begun, we're the chosen ones  
And He gives us sight and we see the light  
And it burns so bright, now we know we're right  
When His kingdom come and Thy will be done  
We have just begun, we're the chosen ones  
I would never tell you anything  
That wasn't absolutely true  
That hadn't come right from his mouth  
And he wants me to tell you  
God given  
God given
