# Ask You (feat. Ayeisha Raquel)

## emil

**[Verse 1]**
I don't have to tell you
You already, yeah
You already know
Fuck with my patience, getting educated
It's you that gets me going
Put me in position
My body just wants to listen
Oh no, no...
**[Chorus]**
Used to touch myself until you
Do
Touch myself until you
It's got to be you
Yeah, yeah, yeah
Hey...
Used to touch myself until you
Do...
It's got to be you
Oh, it's got to be
Oh, always got to be
Always got to be
**[Verse 2]**
It's already got your name on it
Ain't no question that it's yours
She'll be waiting at the door
Said to give you more seconds, thirds, and fourths
It's already got your name on it
Ain't no question that it's yours
She'll be waiting at the door
Said to give you more seconds, thirds, and fourths
**[Outro]**
Seconds, thirds, and fourths...
