

Come Sail Away

Styx

I'm sailing away
Set an open course for the Virgin Sea
'Cause I've got to be free
Free to face the life that's ahead of me On board, I'm the captain
So climb aboard
We'll search for tomorrow on every shore
And I'll try, oh Lord, I'll try to carry on I look to the sea
Reflections in the waves spark my memory
Some happy, some sad
I think of childhood friends and the dreams we had We lived happily forever
So the story goes
But somehow we missed out on the pot of gold
But we'll try best that we can to carry on A gathering of Angels appeared above my head
They sang to me this song of hope and this is what they said They said, "Come sail away, come sail away, come
sail away with me lads
Come sail away, come sail away, come sail away with me
Come sail away, come sail away, come sail away with me baby
Come sail away, come sail away, come sail away with me" I thought that they were Angels, but to my surprise
We climbed aboard their starship, we headed for the skies Singing, come sail away, come sail away, come sail
away with me lads
Come sail away, come sail away, come sail away with me
Come sail away, come sail away, come sail away with me
Come sail away, come sail away, come sail away with me Come sail away, come sail away, come sail away with
me
Come sail away, come sail away, come sail away with me
Come sail away, come sail away, come sail away with me
Come sail away, come sail away, come sail away with me
