Don't Say Goodbye

Trust Company

I can't say goodbye to you
[Incomprehensible] away as I break in two
'Cause we all believe in someone
'Cause I'm not over youAnd I'd walk the line for you
When you need me on your way back through
But there's nothing I won't do
'Cause I'm not over youSo come and take this chance with me tonight
Don't say goodbye
With words still left to say, goodbyeI heard you say goodbye, replayed a thousand times
Your stare is locked in mine and your eyes don't lie
We all believe in someone
'Cause I'm not over youBeginning yesterday, you tried to disengage
You steal this [Incomprehensible] when you look my way
'Cause we all believe in someone
'Cause I'm not over youSo come and take this chance with me tonight
Don't close your eyes, you turn to walk away
So come and take this chance with me tonight
Don't say goodbye
With words still left to say, goodbyeYou're not alone tonight
You're not alone tonight
You're not alone tonight
You're not alone tonightSo come and take this chance with me tonight
(You're not alone)
Don't close your eyes, you turn to walk away
(You're not alone)So come and take this chance with me tonight
(You're not alone)
Don't say goodbye
With words still left to say, goodbye
(You're not alone)Don't say goodbye
Don't say goodbye
Don't say goodbye
