Everyday she passes my way with that same sweet smile (same sweet, same sweet smile)
Everyday I hope and pray that she decides to come my way
Thereâ€™s something in her eyes (her eyes, her eyes)
Made me think, possibly, could she be the one?

Sweet young girl (Where you come from?)
Take this here cup (and let us wine down)

We can make love if you wanna romance
What do you need from me? (You gotta tell me)
Whatever you want, lady (oooh)
