

# Let's Rock A While

## Amos Milburn

With a laugh, a kind hello  
Some small talk with those I know  
I forget that I'm not over you  
For a while a wave an easy grin  
A smile to put them in  
With other lives to listen to  
And some work I've got to do  
I forget that I'm not over you  
For a while days go by with no empty feeling  
Until I remember you're gone  
People say to me, "You need company"  
When you have some time to spend  
Drop around and meet a friend  
They forget that I'm not over you  
For a while they forget that I'm not over you  
For a while  
With a laugh, a kind hello  
Some small talk with those I know
