

# Sometimes

## Bilal

This is a song that makes me  
Spill out all my guts, sometimes Sometimes, I wish I wasn't me  
Sometimes, I wish I was drug free  
Sometimes, wish I saw the exit sign first  
Sometimes, wish I knew the truth without search Sometimes, I wish I could go where I never been  
See what I never saw, do what I never did  
Or walk before I could crawl Sometimes, I wish my eyes wasn't so red  
Sometimes, I wish I had breakfast in bed  
Sometimes, I mean it's worth it  
Since I did all the work last night Sometimes, you ain't good to me, yes  
I am good to you and you don't see my attention  
The way that I do Sometimes, hey Slim, you should be nicer than you are  
Sometimes, you take that complaining shit way too far  
I mean, I thought it was cute in the beginning but now  
I think you only do it 'cuz you know I hate it Sometimes, you got me wishing I didn't have home training  
Sometimes, then it wouldn't hurt me so bad  
With dreams of knocking you in your head  
Then it wouldn't hurt me so bad, with our kitchen knife put up your ass Sometimes, wish I knew life with no  
pain, yeah  
Wish I held the keys to this game  
Sometimes, I pretend 'cuz I'm afraid to be, 'friad to be  
Sometimes, I hope I live to see twenty five  
Sometimes, I wish I could be like Moses  
Round up my people, move out the ghetto and live a better life Sometimes, I wish I didn't try so hard  
Sometimes, who knows truth any way  
They don't know nothing, who needs that approval The sun in your hands player  
Move at your own pace, listen to your own mind  
Do your own thing, yeah, yeah  
I'm saying it because I love ya  
And I wanna grow with you, yeah, yeah But you wanna run in the other direction  
So I got to stay on my path until I win, I win, I win, I win  
I wanna win, I wanna win, I wanna win, I wanna win Sometimes, sing it with me I wish  
I wish in love and I wish, oh I wish  
I wish in peace, oh sometimes  
I wish in hope, I wish hope I wish true, I wish true  
I wish clearly, hey I wish so clearly sometimes  
Wish with no fear, I wish with no fear  
I have no fear, I have no fear Have no doubt I have no doubt  
I don't doubt I don't doubt

Have no doubt no, I don't doubt  
Have no doubt, I wish love  
I wish love, hey, hey Oh some, sometimes  
Sometimes, sometimes
