

# Bad Intentions

## Digital Daggers

Under investigation  
Lies a bitter heart  
Let the poison sink in, let it leave it's mark  
There used to be a likeness  
Used to be a spark  
But communication let it go too far  
Come closer  
Deep down  
You might like what I found  
I am not what I've done, what I've become  
(The smoking gun)  
Can't fight these bad intentions  
I am not what I've done, what I've become  
(The smoking gun)  
Can't fight these bad intentions  
Ah ah ah ah ah  
Ah ah ah ah ah  
I thought I was the victim  
I played it well  
Shifted through the wreckage  
Couldn't find myself  
I tried to be salvation  
Tried to make a change  
Oh, I've come too far to look the other way  
Come closer  
Deep down  
You might like what I found  
I am not what I've done, what I've become  
(The smoking gun)  
Can't fight these bad intentions  
I am not what I've done, what I've become  
(The smoking gun)  
Can't fight these bad intentions  
Ah ah ah ah ah  
Ah ah ah ah ah  
Just pull the trigger, I'll take the pain  
(You know you want him to)  
(You know you want him to)  
Just pull the trigger, I'll take the blame

I'll be the villain, just play the game  
I found a bitter heart...  
I am not what I've done, what I've become  
(The smoking gun)  
Can't fight these bad intentions  
I am not what I've done, what I've become  
(The smoking gun)  
Can't fight these bad intentions  
Ah ah ah ah ah  
Ah ah ah ah ah  
Ah ah ah ah ah  
Ah ah ah ah ah  
Ah ah ah ah ah  
Ah ah ah ah ah  
Just pull the trigger, I'll take the pain  
Can't fight these bad intentions
