

# Only You

Alison Moyet

Looking from the window above  
It's like a story of love  
Can you hear me?  
Came back only yesterday  
Moving farther away  
Want you near me  
All I needed was the love you gave  
All I needed for another day  
And all I ever knew, only you  
Sometimes when I think of her name  
When it's only a game  
And I need you  
Listen to the words that you say  
It's getting harder to stay  
When I see you

All I needed was the love you gave  
All I needed for another day  
And all I ever knew, only you  
All I needed was the love you gave  
All I needed for another day  
And all I ever knew, only you  
This is gonna take a long time  
And I wonder what's mine  
Can't take no more  
Wonder if you'll understand  
It's just the touch of your hand  
Behind closed doors  
All I needed was the love you gave  
All I needed for another day  
And all I ever knew, only you
