

Sober

Brad Nailer

1.

D G A

Youâ€™ve been tugging that thing for an hour
And it donâ€™t seem to want to rise
And it ainâ€™t like I donâ€™t want to
Rock and roll between your thighs

Chorus

Why donâ€™t we wait until Iâ€™m sober
And I can make that bad boy stand
Iâ€™m so happy just to hold you
And you donâ€™t need to sprain your hand

If you keep jerkin on that gherkin
Gonna raise blisters on my skin
Just let me sleep for a couple hours
And like the south Itâ€™ll rise again

2.

I sure love the way you love me
But my little sausage is getting sore
If you keep bobbin on that apple
Youâ€™re gonna dislocate your jaw

Bridge

Now Itâ€™s 4 oâ€™clock in the morning
And Iâ€™m about to pass out
But I swear when I wake up babe
Iâ€™m gonna wear your sweet thing out
