Big Little Baby

Reverend Horton Heat

Well, I got a sweet baby who's six foot tall
Well, she's a full grown woman who's got it all
Big little baby, big little babyHer heart is as big as her feet are long
But she's not afraid to fight someone who does me wrong
Big little baby, big little babyShe sure a female who runs up the scale
She's a fillin' in as pretty as a girl can be
But when she's wearin' high heels she is six foot threeBig little baby, big little baby
She's as cute as she can be But she's tall as a tree
Big little babyLet it roll. Feels good!!!
I got a sweet baby who's six foot tall
But she's a full grown woman who's got it all
Big little baby, big little babyShe's as cute as she can be
But she's taller than me
Big big big little baby
Big big big little babyShe's as cute as she can be
But she's taller than me
Big big big a-little baby
