

# Better Than

## Lake Street Dive

I could spend ages reading the news  
I could spend days, singing the blues  
But I turn up the tv light  
Give up without a fight  
Better than pretending to know what's wrong and what's right  
I could spend ages asking myself why  
There's a million ways that I could say goodbye  
But I turn down the lights  
Come on baby come inside  
Better then being some fool's bride  
Better than pretending to know what's wrong and what's right  
Turn down the lights  
Come on baby, come inside  
Better than pretending to know what's wrong and what's right  
Better than being some fool's bride  
Well it's better than pretending to know what's wrong and what's right  
Oh what's wrong, and what's right
