

Where the Hell Is Bill?

Camper Van Beethoven

Where, where the Hell is Bill?
Where, where the Hell is Bill?
Where, where the Hell is Bill?
Where, where the Hell is Bill?
Well, maybe he went to get a sideways haircut
Maybe he went to get a striped shirt
Maybe he went to get some plastic shoes
Maybe he went to get some funny sunglasses
Well, maybe he went to get an Air Force parka
Maybe he went to get a Vespa scooter
Maybe he went to get a British flag
Maybe he went to go Mod Ska dancing
Well, maybe he went to get a mohawk
And maybe he went to get some gnarly thrash boots
Maybe he went to go ride his skateboard
Maybe he went to see the Circle Jerks
