Louie Swag

St. Louis stand up

Every time I hit the club, yeah you know I Louie Swag;
And when I hit the mall, every day I'm poppin tags;
They bitin' on my swag, cuz they ain't tryna lag;
But you can't do it like me, I don't even mean to brag.

Now watch me
Louie Swag
Louie Swag
Louie Swag
Louie Swag
Louie Swag
Louie Swag
Louie Swag
Louie Swag
I'm in my own zone
I'm in my own zone
I'm in my own zone
I'm in my own zone

First I Louie dip, and then I Louie Swag;
I'm jiggin to the bank because I'm gon pop some tags; They ask me how I do it; cuz I get straight to it; it's a Midwest swang, and you know I'm from St.
Louis; I'm swaggin to the left, I'm swervin to the right; I'm ballin everyday, you only ball on payday night; we some show stoppers, got they ss droppin, all eyes on me, I be fresh to death; I'm too sick for u, and no antidote, so swagger out, and there's none left; I'm wildin out, showin out, foot work, cook swag; They checked what's in my pocket they forgot to check my bookbag; Louie swag, look at me; ima go in ngg 1, 2, 3; everybody workin for "mean mug" inc; y'all wanna hate, feel free.

Every time I hit the club, yeah you know I Louie Swag;
And when I hit the mall, every day I'm poppin tags;
They bitin' on my swag, cuz they ain't tryna lag;
But you can't do it like me, I don't even mean to brag.
