Jungle Man

Owen Campbell

I don't like no city
I'm a Jungle Man
You take me down
Oh, I'm gonna end you sadly
Gonna raise your temper
And burn the ballroom down
One more time for you to knowI don't like no DJ
Don't gimme that sound
I'm gonna exorcise you
Right down, down, down to the bone
If my woman don't like you
There's a chance I won't
She'll tear you down
Oh she's gonna end you sadly
Gonna raise your temper
And burn the ballroom down
One more time for you to knowI don't like no DJ
Don't gimme that sound
I'm gonna exorcise you
Right down, down, down to the bone.
I don't like no city
I'm a Jungle Man
You take me down
Oh, I'm gonna end you sadly
Gonna raise your temper
And burn the ballroom down
One more time for you to know
I don't like no DJ
Don't gimme that sound
I'm gonna exorcise you
Right down, down, down to the bone.
