Black Roses

Ikon

She doesn't know me
She doesn't care
Behind her darkness
Behind her stareShe sees it all
She sees it all
She sees it all
She sees it allAnd in my dying hour
She gives me black roses
And as my time shall pass
I'm falling for herMy time is ending
My time draws near
My time is ending
My time draws near
Behind her darkness
Behind her eyes
Behind her darkness
There she liesAnd in my dying hour
She gives me black roses
And as my time shall pass
I'm falling for herAnd now my time has passed
I've fallen for herFrom: In The Shadow Of The Angel, Black Radio LP, The Final Experience, Thankyou Very Much Goodnight, Reality Is Lost 1999 & The Trial of DestinyWords by Chris McCarter & Michael Carrodus
