Timeless (featuring Nicky Davey)

The Internet

[Verse 1]
You love me? Tell me you do
Cause too often love gets lost in the translation
So when I tell you I love you, I know that it is real
Baby, I can be your motivation[Hook]
Your attitude is right, for real
Can't get you out of my mind, girl
And anything you need I got
Just tell me that you be mine, girl
If they tryna hate, so what?
Roll up and kill them with kindness
And if the temptation is real
Then maybe we can be timeless (timeless)[Bridge]
Stay here with me, sleep beauty, in my palace
Wanna be free? Frolic in my fabrics
Wrapped up in sheets (wrapped up in sheets)
Close your eyes imagining another day
Waking up next to me, baby
No other way, waking up next to you, baby
No other way, waking up next to you, baby
No other way, waking up next to you, baby
No other way, waking up next to you, baby[Verse 2]
In the morning or when the [?]
All I wanna do is stay under the covers with you, baby
Any others be in the way [?]
Cause it's something about your love I can't get over[Hook]

Can't get you out of my mind, girl
And anything you need I got
Just tell me that you be mine, girl
If they tryna hate, so what?
Roll up and kill them with kindness
And if the temptation is real
Then maybe we can be timeless (timeless)[Bridge]
