Falling Out

Jimmie's Chicken Shack

It's hard to keep from falling out
So I'll just meet you on the groundWhen you know is more than you ever dreamed ofIt's hard to keep from falling out
Take one of these to calm you down
Four am another riddle
Look at me caught in the middle
It's hard to keep from falling outWhen what you know
At least now I have someone I can play with
Is more than you ever dreamed ofAnd what you get
At least now I have someone I can stay with
Is more than you ever wished forIt's hard to keep from falling out
So I'll stay true to what I've found
At four am another riddle
Look at me caught in the middle
It's hard to keep from falling outand what you know
at least now i have someone i can stay with
is more than you ever dreamed of
falling out again
and what you get
at least now i have someone i can play with
is more than you ever wished forand what you know
at least now i have someone i can stay with
is more than you ever dreamed of
falling out of love
and what you get
at least now i have someone i can stay with
is more than you ever wished for
falling out of love
and who you are
at least now i have someone i can stay with
is more than you ever dreamed of
at least now i have someone i can stay with
falling out of love
and what you get
at least now i have someone i can stay with
is more than you ever wished for
