Don't Let Me Be Lonely Tonight

Boney James

Do me wrong, do me right, do me right baby. Tell me lies, but hold me tight. Save your goodbyes for the morning light, but dont let me be lonely tonight.Say goodbye, woman say hello, hello, hello.
Sho nuf good to see you, oh but its time to go.Dont say yes, but please, please dont say no. I dont wanna be lonely tonight. Go away, then damn you. Go do as you please, go do as you please girl. You aint gonna see me getting down on my knees.Girl Im undecided and your hearts been divided. Youve been turning my world upside down. Hey hey, upside down yeah, whoo whoo.I dont wanna be lonely tonight. I dont wanna be lonely tonight, girl ohh ,Ohh but dont let me be lonely tonight,
whoo I dont, I dont wanna be lonely, I dont wanna be lonely tonight, I dont wanna be lonely, I dont wanna be lonely tonight, tonight, tonight. I dont wanna, be lonely, be lonely tonight, I dont wanna be lonely
