You used to be a friend
And I know how that feels
Your relationships
Keep falling apartWe all lie
All our lives
We all lieChorus:
What can you do? (Too many enemies)
Can't do nothing (Here in front of me)
What can you do? (Someone who used to be)
Can't do nothing (A friend)What can you do? (Too many enemies)
Can't do nothing (Here in front of me)
What can you do? (Someone who used to be)
