

I'm Tongue-Tied

The Magnetic Fields

I'm tongue-tied and useless
I'm weak-kneed and brainless and then
I mumble some jumble
You kiss me, I'm history
I'm tongue-tied and useless againMy heart pounds
I make sounds
My ears humMy head pops
The shoe drops
I'm struck dumbI'm tongue-tied and useless
I'm weak-kneed and brainless and then
I mumble some jumble
You kiss me, I'm history
I'm tongue-tied and useless againYou say things
The room swings
I feel thingsI've no doubt
I'll black out
Grand love aint'sI don't die
I say, "Hi"
How cleverI turn blue
I love you
For everI'm tongue-tied and useless
I'm weak-kneed and brainless and then
I mumble some jumble
You kiss me, I'm history
I'm tongue-tied and useless again
I'm tongue-tied and useless again
