

Further On Down the Road

[Eric Clapton](#)

Further on down the road baby, you will accompany me
Further on down the road baby, you will accompany me I think back, your love was like a sun
Don't remember no dark days, I just remember the warm warm fun Further on down the road baby, you will
accompany me
If we fools in life, oh woman a happy fool I'd rather be. Oh baby I'll be glad to learn from you
And darlin' I know you will be glad to learn from me
And if we get down and things get sad, we can cheer up each other
And grin 'cause things just ain't that bad
If we fools in life, than a happy fool I would rather be Day by day, just one step, one step at a time
'Cause woman you have given me so much
Just to ease this stubborn little achin' heart of mine I don't care where they came from
And I don't care what they might say
Woman you've been lovin' in my corner, all the way
Day by day, that's the magical kind 'cause it's flowin' all of the time Further on down the road baby, you will
accompany me
Further on down the road baby, you will accompany me I look back,
Your love was like the sun,
And I don't remember any cold days
I just remember the warm warm fun Further on down the road, baby, you will accompany me Oh babe, oh babe,
oh darlin'
Oh babe, oh darling, oh babe Oh babe, oh darlin', oh babe
Oh babe, oh, babe, oh darlin' (Further on down the road)
(Further on)
(Further on down the road)
(Further on)
(Further on)
