

# Facebook Story

## Frank Ocean

[Frank]

I was just telling that I got this girl before  
And I was together since 3 years  
And em, I was not even cheating on her or what  
And Facebook arrived and she wanted me to accept her on Facebook  
And I don't want it because I was like in front of her  
And she told me like "Accept me on Facebook"  
It was virtual, made no sense  
So I say "I'm in front of you, I don't need to accept you on Facebook"  
She started to be crazy  
She thought that because I didn't accept her  
She thought I was cheating  
She told me like, uh, it's over  
And I can't believe it  
It is crazy because I like her  
I'm in front of you, I'm every day  
Here in your house  
That's like jealousy  
Pure jealousy for nothing  
You know  
Virtual thing
