

Yves Klein Blue

Colin Vearncombe

Here we are and who'd have thought anyone could make us two madly in love
But I've had the rush for you for years and years
To deny what my daddy said I should I knew I didn't want to
'cause I can't get enough of you
You lift me up, you put me down As pretty as Yves Klein Blue So here I'll stay until I achieve all the things I
said I would gladly retrieve;
The blood, sweat and tears I lost through years and years
Number one stop, look at the brave boys fall
I knew I didn't want to 'cause I can't get enough of you I can't get enough of you
You light me up, you put me down
