Hard Times Come Easy

Richie Sambora

It's amazing, we go through changes
When times get crazy, it's up and down, it's hot and cold
These complications, just keep on coming
There ain't no running when it comes to life
That's how it goesRound and round we go
Sometimes it feels like we're on a roller coaster ride
Baby, don't you know it could eat you up
If you try to keep it all insideSeems like hard times come easy
We do a lot of hanging on these days
But the heart finds a reason
And love always seems to find a way
Even if it hurts, even if it hurts us, babyThere's gonna be thunder, there's gonna be rain
There's gonna be times, we both get caught up in the pain
The realization keeps sinking in
The way you made it, is learn to take it on the chinRound and round we go
It's just another day, with trouble knocking at your door
Baby, don't you know, we can work it out
'Cause we always seem to find a cureSeems like hard times come easy
We do a lot of hanging on these days
But the heart finds a reason
And love always seems to find a way
Even if it hurts, even if it hurts you, baby
Even if it hurts, even if it hurts you, baby
Yeah, yeah, yeahRound and round we go
Sometimes it feels like we're on a roller coaster ride
Baby, don't you know, we'll keep holding on
Through the changes that we feel insideSeems like hard times comes easy
(Hard times come easy)
Do a lot of hanging on these days
But the heart finds a reason
(Heart finds a reason)
And love always seems to find a wayHard times
Hard times come easy, babe
Talking 'bout hard times
They come easy, baby
