Under Your Spell Again

Ray Price

You've got me, under your spell again
Saying those things again
I gotta take you back just one more timeI swore the last time that you let me down
That I wouldn't see you if you came around
But I can't tell my heart what is right or wrong
And I've been so lonely dear since you've been goneYou've got me, under your spell again
Saying those things again
You've got me dreaming those dreams again
Thinking those things again
I gotta take you back just one more timeYou've got me, under your spell again
Saying those things again
You've got me dreaming those dreams again
Thinking those things again
I gotta take you back just one more time
