# Beautiful Mine

## The Butterfly Effect

Void to feel,
Broken the wheel.
I am the reason you feel,
the reason you feel,
the reason you feel no more.
Cage confines,
A beautiful mine.
I, the way that you feel,
the long divides,
the cold divides,
the pain divides....you.
I see you,
I see through.
Where will you be if you don't go,
You'll never find.
What will you see if you don't look,
Then never mind.
Never Mind.
Never Mind.
Touch the taste,
the empty embrace.
I am the reason you run,
the reason you run,
the reason you run from here.
The lost design for the beautiful mine
I, the way that you feel
the long divides,
the cold divides,

the pain divides....you.
I see you,
I see through.
Where will you be if you don't go,
You'll never find.
What will you see if you don't look,
Then never mind.
Never Mind.
Never Mind.
How will you stand if you fall down and never try,

looking for someone you'll never be, never find.
never find.
never find.
(again and again and again and again and again and again)
Where will you be if you don't go,
You'll never find.
What will you see if you don't look,
Then never mind.
Never Mind.
Never Mind.
How will you stand if you fall down and never try,
looking for someone you'll never be, never find.
Beautiful Mine.
