Mohombi Ft. Akon

Yeah, Akon, Miss Fatty's are burning on the dancefloor
Red one, It's nice to be nice, Mohombi
It's even nicer to be nicer, Mohombi
Big time, Red one, S Joe

She's a 666, hundred volt, danger in the disco
She drop it low, back it up, mammy's on the floor
Shaking that booty, oh, yeah
Shaking that booty, oh, yeah

My money fly, in the sky, let the little flow

Time to get tipsy, oh, yeah
Time to get tipsy, oh, yeah
Time to get tipsy, oh, baby
Miss Fatty, your body, your body, your body's talking dirty
So dirty, so dirty, can't help but getting
Freaky, freaky, freaky, this situation's dirty
Dirty, dirty, oh, wee, oh

So dirty, so dirty, can't help but getting
Freaky, freaky, freaky, this situation's dirty

When I came in the place, shawty wanna play me
If I look at the place man she would've maybe
If I gave her the rope man she would've hate me
Would, would, would've hate me
I can tell by the place man she would've blamed me
Wrap a dollar from my face when she would get up on me
And we all in the place being going crazy
Go go, going crazy
Well, I know if I didn't get her she wouldn't be pleased
And I never forget her nigga for making her leave
It was the best situation yeah you wouldn't believe

Would would, you wouldn't believe
After it all it that been done on me
