Don't Say You Love Me

Minor Majority

I've seen this place a thousand times
I've felt this all before
And every time you call
I've waited there as though you might not call at all
I know this face I'm wearing now
I've seen this in my eyes
And though it feels so great, I'm still afraid
That you'll be leaving anytime
We've done this once and then you closed the door
Don't let me fall again for nothing more
Don't say you love me unless forever
Don't tell me you need me if you're not gonna stay
Don't give me this feeling, I'll only believe it
Make it real or take it all away
I've caught myself smiling alone
Just thinkin' of your voice
And dreamin' of your touch is all too much
You know I don't have any choice
Don't say you love me unless forever
Don't tell me you need me if you're not gonna stay
Don't give me this feeling, I'll only believe it
Make it real or take it all away
(Make it real)
Yeah yeah yeah
We've done this once and then you closed the door
Don't let me fall again for nothing more
Don't say you love me unless forever
Don't tell me you need me if you're not gonna stay
Don't give me this feeling, I'll only believe it
Make it real or take it all away
(Make it real)
Say you love me
Don't tell me you need me if you're not gonna stay
Don't give me this feeling, I'll only believe it
Make it real or take it all away
Take it all away, take it all away
Make it real or take it all away
(Make it real)
(Take it all away)

I'll take it all away
