

# Rainy Day Bells

## The Globetrotters

Rainy day bells  
Rain in the chapel  
Chair on a people  
They're gonna be sunshine

Rainy day bells  
Play by the raindrops  
Sing on a message  
Don't be afraid all the son

Somewhere the sun is shining  
Through a silver lighten, wait and see  
Save the rainy day bells

Hey little girl  
Come to your window  
And hear the music  
Sing you a sweet song

Don't nat to the rain  
Make you unhappy  
And just a moment  
They're gonna be walking in the sun  
Little be crowd will cheer now  
They gonna smile and clear up  
When day he  
Goes rainy day bells

Hey little girl  
Come to your window  
And hear the music  
Sing you a sweet song

Don't nat to the rain  
Make you unhappy  
And just a moment  
They're gonna be walking in the sun  
Little be crowd will cheer now  
They gonna smile and clear up  
When day he

Goes rainy day bells
