Love Pig

Scum Of The Earth

I am your whore
I am your god nowChains around your neck
Leather beats your skin
Razor blade, crucifix, slide it in
Gagged, whipped, beat, chained
You are my whore, I am your god nowLove pig, scum fuck
Love pig, sick twisted motherfucker
Love pig, scum fuck, motherfuckerFist full of hair, face on the floor
Handcuffed, hog-tied down on all four
Rubber mask, ball gagged, blood and gore
You are my whore nowLove pig, scum fuck
Love pig, sick twisted motherfucker
Love pig, scum fuck, motherfuckerI am your whore
I am your god
I am your whore
I am your god nowI am your god now
Ooh, I'm your love pig
I am your god now
Ooh, I'm your love pigLove pig, scum fuck
Love pig, sick twisted motherfucker
Love pig, scum fuck, I am your god
