Porcelain Doll

Megan McCauley

Why do they leave me all by myself?
Why do they use me and bring me down?
Why do they hurt me, why do they leave me?
Why doesnt anybody stick around?Why doesnt anyone stay here?
Why do they leave me?
Dont they realize Im a porcelain doll
Small, unsure, beautiful, breakable?If I sit here, waiting to be wanted
Something good will pass me by
Many people look through the windows
But seldom do they ever look in my eyesWhy doesnt anyone stay here?
Why do they leave me?
Dont they realize Im a porcelain doll
Fragile, helpless, unwanted, breakableThey cant tell that I am sweet
They cant tell Im like a porcelain doll
Beautiful and demure
But played with one too many timesWhy am I not numb to this?
Why cant I let it all outside my mind?
Dont let me sit here collecting dust
But please be careful, please be kindWhy doesnt anyone stay here?
Why do they leave me?
Dont they realize Im a porcelain doll
Lost, alone, unsure, kind, demure, small
Fragile, helpless, breakable, breakable
