

# The Jitterbug

Judy Garland, Ray Bolger, Jack Haley, Buddy Ebsen

Did you just hear what I just heard?  
That noise don't come from an ordinary bird  
It may be just a cricket or a critter in the trees  
It's giving me the jitters in the joints around the knees  
I think I see a jijik and he's fuzzy and he's furry  
I haven't got a brain but I think I ought to worry  
I haven't got a heart but I've got a palpitation  
As monarch of the forest, I don't like the situation  
Are you gonna stand around and let him fill us full of horror?  
I'd like to roar him down but I think I've lost my roarer  
It's a whozis  
It's a whosis?  
It's a whatzis  
It's a whatzis?  
Whozat?  
Whozat?  
Whozat?  
Whozat? Who's that hiding in the tree tops?  
It's that rascal, the jitterbug  
Should you catch him buzzin' round you?  
Keep away from the jitterbug  
Oh, the bees and the breeze and the bats in the trees  
Have a terrible, horrible buzz  
But the bees and the breeze and the bats in the trees  
Couldn't do what the jitterbug does  
So be careful of that rascal  
Keep away from the jitterbug  
The jitterbug  
Oh the bug  
Oh the jitterbug  
In the twitter, in the throes  
All the critters  
Got me dancing on a thousand toes  
Now she blows  
Hey, who's that hiding in the tree tops?  
It's that rascal, the jitterbug  
Should you catch him buzzin' round you?  
Keep away from the jitterbug  
Oh, the bats and the bees  
And the breeze in the trees  
Have a terrible, horrible buzz  
But the bees and the breeze  
And the bats in the trees  
Couldn't do what the jitterbug does  
So be so careful of that rascal  
Keep away from the jitterbug  
The jitterbug  
Jitterbug
