

Go Away

The Cars

Well I think of you when I fantasize
The best I ever had
And I think of you when I'm drivin'
Myself completely mad Why don't we go?
Why don't we go away?
Why don't we go?
Why don't we go away? Walkin' on the footbridge high above the clouds
Listenin' to your yesterday, didn't make a sound
And dazzled by your sweet lips and touchin' on me
Here comes trouble, can't you see? Why don't we go?
(Why don't we go?)
Why don't we go away?
Why don't we go?
(Why don't we go?)
Why don't we go away? Well I think of you when I dramatize
The things we never did
And I think of you when I'm flyin'
Or when I'm feelin' just like a kid Why don't we go?
(Why don't we go?)
Why don't we go away?
Why don't we go?
(Why don't we go?)
Why don't we go away? Why don't we go?
(Why don't we go?)
Why don't we go away?
Why don't we go?
(Why don't we go?)
Why don't we go away? Why don't we go away?
Why don't we go away?
