Sorry

The English Beat

Try to live but it's more like worry.
Each time I try to speak it does sound like sorry
Setting up races you've gotta keep winning
Imaginary races,
You jump until you're bleeding and you're needing
And you're wanting it so badly timed your sighing,
All lying
And she's trusting you completely stupid
Sorry

Feeling attack put up defenses
Nothing you've ever said made much sense
Words are just another violence
Nothing rings as true as silence.

Dream I can fly in desperation,
Sorry
Must have mixed up remorse with anticipation,
Sorry
Each time I try to break this hurry,
Sorry
Start off apologizing for saying sorry.

Leaving,
Me pleading
All through wanting it so badly timed my sighing
All lying
And you trusted me completely foolish.

Sounds like sorry
It sounds like sorry
It always sounds like sorry
