

Love Somebody (feat. Buddy Clark)

Doris Day

Love somebody, yes, I do
Love somebody, yes, I do
Love somebody, yes, I do
I love somebody but I won't say who Handsome, say, he's six feet tall
And his picture's on my wall
Love to be his baby doll
If he kissed me I wouldn't mind at all I love somebody, yes, I do
Love somebody, yes, I do
Love somebody, yes, I do
Love somebody but I won't say who Don't know why she acts so shy
She oughta know I wouldn't dream
of even hurtin' a fly
Hope she doesn't pass me by
'Cause if she did I'd die, I know I'd die I love somebody, yes, I do
Love somebody, yes, I do
Love somebody, yes, I do
Love somebody but I won't say who He's big and strong
Wouldja like to feel my muscle
Bold and gay
I never once lost a tussle
At the moment he's not very far away
Why don'tcha say who, say already I'd want to marry him today
But you don't say who
That I cannot do
Happen to be me
Possibility
Won'tcha tell me who ya love
Love somebody
Tell me true
Yes, I do
Yes, you do
Love somebody
I do, too
And I do
Maybe me
Love somebody
I hope it's me
Yes I do
Love somebody but I won't say who C'mon confess

Why don'tcha try and guess
Do tell. Let's tell
You promise not to breathe a word
Doris, don't be absurd
Strictly entre-nous
Oui, oui, we two
Well
Confidentially
Between you and me
Confidentially
I love somebody
I've got news for you
Love somebody
I feel that way, too
Love somebody
Glad it's true
That somebody that I love is you
