Love is Lighter Than Air

The Magnetic Fields

Summer, summer, summer
Slowly turned into fall
Me and my baby doll
Never went to the beachSomewhere, somewhere, somewhere
Was a place we could run
On the sand with the sun
Always just out of reachSomewhere sunny summer's
Marching to a different drummer, singing
Summer, summer, summer's
Gonna turn into fallYou and your baby doll
Better go to the beach 'causeLove is lighter than air
It floats away if you let go
Love is lighter than air
It rises through the falling snowA crime, crime, crime
Sin and illness is time
Neither reason nor rhyme
Can obstruct his bad danceThe nasty little swine
Slipped us mickeys in wine
Wove his hair into twine
And then tied our handsWe're forced to watch him wriggle
And endure his fulsome giggle
And his mime, mime, mime
Unforgivable mimeOur one chance is to climb
Into blimps of romance 'causeLove is lighter than air
It floats away if you let go
Love is lighter than air
It rises through the falling snowLove is lighter than air
It floats away if you let go
Love is lighter than air
It rises through the falling snow
