

One Grain of Sand (Kyle McCammon Remix)

[Ron Pope](#)

I dont wanna hold you if you wanna go
And im not gonna make you feel love if you don't
I would rather learn what it feels like to burn then feel nothing at all Oh, I used to treat you sweetly I would pull
you to my chest as you cried about the ocean slipping quickly through your hands
You were searching for one grain of sand along an endless beach
As I was building you a castle that you just refused to see What do I say? What do I do?
To show all the ways my heart is slowly shattering for you
What do I say? What do I do? I don't wanna hold you if you wanna go
and im not gonna make you feel love if you don't
I would rather learn what it feels like to burn then feel nothing at all You have faded my reality like leaves that
turn to dust
fell asleep inside a fantasy and woke up feeling lost
now I'm terrified and restless but i just cannot escape
I wish you had words to cool this fever that is killing me What do i say? What do i do?
To show all the ways my heart is slowly shattering for you
What do i say? What do i do? I don't wanna hold you if you wanna go and im not gonna make you feel love if
you dont
I would rather learn what it feels like to burn then feel nothing at all I dont wanna hold you if you wanna go and
im not gonna make you feel love if you dont
I would rather learn what it feels like to burn then feel nothing at all oooh woah woah woah woah
oooh woah woah woah woah
oooh woah woah woah woah
oooh woah woah woah woah I don't wanna hold you if you wanna go
and im not gonna make you feel love if you don't
I would rather learn what it feels like to burn then feel nothing at all
