

All the Pretty Girls Go to the City

Spoon

All the pretty girls go to the city
Don't they, don't they do my love
Oh, it's something to see, they're so pretty
High heel shoes, low neck sweaters acting so toughHear 'em go do d-do d-do
Do d-do d-do
Do d-do d-do
Do d-do d-doAnd they know that they'll make it alrightI say don't they now, don't they now
Don't they, my love
Don't they now, don't they now
Don't they, my loveJacqueline and Beth went to the city now
Left home soon as they were old enough
'Cause all the pretty girls go to the city now
Don't they, don't they do, don't they do that, my loveAnd they go do d-do d-do
Do d-do d-do
Do d-do d-do
Do d-do d-doI said, "Don't they, now don't they
Now don't they, my love
Don't they, now don't they
Now don't they, my love"
