

Proper Nice

Joss Stone

Catch me, catch me I'm falling, I'm falling in love with you
There ain't nothing I can do, I'm way to deep with you
Catch me, catch me I'm falling, I'm falling in love with you
I've only got my heart to lose, should I be scared of you
I'm in love, I'm in love, in love, I'm in love, in love, in love, in love, I'm in love Now this picture's so clear, I
want to trace you
And I'll make no mistakes, I won't erase you
I can travel high, I can travel low, I can do that in my sight
You're in reach, you're the perfect match, ooh, I'm falling Catch me, catch me I'm falling, I'm falling in love
with you
There ain't nothing I can do, I'm way to deep with you
Catch me, catch me I'm falling, I'm falling in love with you
I've only got my heart to lose, should I be scared of you
I'm in love, I'm in love, in love, I'm in love, in love, in love, in love, I'm in love Like a star when it falls, lights
up the sky
Found a love, proper nice, it makes me fly
When I'm all alone in my world I can feel you touching me
In my thoughts, in my mind, you come carry me, ooh, I'm falling Catch me, catch me I'm falling, I'm falling in
love with you
There ain't nothing I can do, I'm way to deep with you
Catch me, catch me I'm falling, I'm falling in love with you
I've only got my heart to lose, should I be scared of you Catch me I'm falling, baby, ooh
Catch me I'm falling, falling, falling, ooh Catch me, catch me I'm falling, falling in love with you
There ain't nothin' I can do, I'm awake from meetin' baby, yeah
Catch me, catch me I'm falling, falling in love with you
I only got my heart to lose, should've been scared, yeah Catch me, catch me I'm falling, I'm falling in love with
you
If I'm a girl, she was bruised, she fixed me up when I had no one
Catch me, catch me I'm falling, I'm falling in love with you
I feel so heavy, I can't hold you
