Pornstar

Niels van Gogh

Walk up in the club wit a lotta girls
hanging round my neck like diamonds and pearls
me and my crew we gonn' rock the house
makes your chick turn inside out

wow - i just cant believe it
tonight gonna be a lots of cheating
no - you cant stay - I wanna see you leaving
i thought i was bad but than she beeeeat it

damn - cum' show me what you got
damn - cum' show me what you got
damn - cum' show me what you got
hot hot hot hot

move that ass to dat front
and move it slowly to the back
turn around down on the ground
and make that ass clap clap clap clap ... (2x)

come shake that ass just like a pornstar

po, po, pornstar

move that ass to dat front
and move it slowly to the back
turn around down on the ground
and make that ass clap clap clap clap ...

come shake that ass just like a pornstar

Champagne poppin', models hoppin'
this is what we do
got some cash in our pockets
we're not leaving till its thru
we get this motherfucker jumpin'
j j j j jumping
we get this motherfucker jumpin'
j j j j jumping

damn - cum' show me what you got
damn - cum' show me what you got
damn - cum' show me what you got
hot hot hot hot

move that ass to dat front
and move it slowly to the back
turn around down on the ground
and make that ass clap clap clap clap ... (2x)

come shake your ass just like a pornstar

po, po, pornstar
