

# Long Snake Moan

PJ Harvey

Dunk you under  
Deep salt water  
Bring me lover  
All your power I'll be, no Hell  
Out of your spell  
Over under  
Die of pleasure Hear my dreaming  
You'll be drowning  
Hell's no, God above  
All drunk on my love You wanna hear my long snake, moan  
You oughta see me crawl my, roar Dunk you under  
Deep salt water  
In my dreaming  
You'll be drowning Raise me up, Lord  
Call me Lazarus  
Hey Lord, help me  
Make me marvel You wanna hear my long snake moan  
You oughta see me crawl my roar Is my voodoo working?  
Is my voodoo working?  
Is my voodoo working?  
Is my voodoo working? Moan  
Moan  
Moan  
Moan  
Moan  
Moan  
Moan
