

# Catstep (Hrvatski Vatstep Remix)

## Kid606

So thereâ€™s this kid he mash it up all over the place with the dub plate pressure all up in your face go tell that kid 606 do that Ruffneck soldier thing with the dsp gwan have to modulate the ring we talking cubase vst with the hyperprism mods make the kids go crazy you can see it in there nods now mister 606606 with the hybrid gabba core no more dub plate pressure make the girls scream give me some more so me say gwan mister police officer gwan take me down town (beh) know the dub plate pressureâ€™s now the hottest thing around now hear this kid starting to sweat the technique man he look like he gwan trying way too hard at not a thing while the selector spin down ganja man you gwan put up your Spliff get the thc pumping in your veins than others take a whiff (selector) so that kid he gwan putting up a scene man it real hard to believe that he only nineteen (feh)!!!!
