

# Children Of God

Steven Curtis Chapman

Who are the treasured and the prized?  
Who is the apple of God's eye? Who is?  
We are, we are, we are Who are the ones who bear His name?  
Who are the children He has claimed as His?  
We are, we are, we are The ones God has sent His son to rescue  
And now He calls us His own We are the children of God  
We are the children of God  
We are the sons and the daughters  
Almighty God is our Father We are the children of God  
We are the children of God  
How can we keep from singing?  
We are the children of God La, la, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la, la Who'll keep the rocks from crying out?  
Who are the voices that will shout His praise?  
We are, we are, we are Who are the ones who bear His name?  
Who are the children He has claimed as His?  
We are, we are, we are How great the love the Father has shown us  
That He would call us His own We are the children of God  
We are the children of God  
We are the sons and the daughters  
Almighty God is our Father We are the children of God  
We are the children of God  
How can we keep from singing?  
We are the children And we will sing for joy  
For the God on His throne  
He has come for us  
And called us His own And we will sing for joy  
As the dearly loved children of God  
Come on, let's sing La, la, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la, la We are the children of God  
We are the children of God  
We are the sons and the daughters  
Almighty God is our Father We are the children of God  
We are the children of God  
How can we keep from singing?  
We are the children of God La, la, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la, la

La, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la
