

Bring It Back

Travis Porter

[Chorus]

Runnin in that pussy like a crash dummy

Bend it over, touch ya toes

Shake that ass for me

Bounce that ass on the flo', bring it back up

Hit a split on the dick, shawty act up

Now bring it back [8x]

You can act [7x]

Act a fool, Bring it back[Verse 1 - Strap]

Shawty goin hard, concrete

She can shake her ass, one cheek, two cheeks

Both cheeks, both cheeks

I got a white girl freak she got no cheeks

Got a police bitch on a short leash

Got good mouth like she got no teeth

She a slut, she a dog, she a bitch with it

Man you see the way she work she super thick with it

Have them hoes throwin salt

Tell the bitch get it

Started playin with her pussy

Tell the bitch split it

Pop that pussy, I just wanna fuck you

If you ain't with it, you cute but shawty fuck you[Chorus][Verse 2 - Quez]

Back that ass up like a dump truck

If you havin fun in the club, throw ya pumps up

All my ballas in the building throw ya 1s up

If you ain't throwin no money then get ya funds up

I asked her whats her name and she said her name Nicki

Got a real big booty and some real big titties

Say she don't really come out to the city

Cuz she a country girl and she like to get busy

She got a good job and she say she 24

I said "Ok" then shawty hit the flo'

And I was like "whoa"

Then I threw some 1s just to let shawty know

Just to let shawty that Ima[Chorus][Verse 3 - Ali]

Bring that ass back like you left some

Shawty so hot she can melt some

Feel like I wanna smack her with a belt or some

So I told her come here so I can tell her some
I wanna see ya big booty on my upper leg
And I'll throw a couple dollars at ya upper head
How bout you and ya friends just give me double head
at breakfast time she gave me supper head
And that's a great feeling
And I fuck with her because she so willing
Watch her I do whatever that I tell her
So I broke her down and this is what I tell her[Chorus]
